

Wildfowl Trust avicultural report, 1982

At the end of 1982 the Wildfowl Trust collections contained 6847 birds of 193 kinds, while 2088 birds were reared during the year. Andaman Teal were bred by the Trust for the first time, two

young being reared in the Slimbridge Tropical House, where Pink-eared Ducks also bred successfully for the third year running.

Species	Total reared 1982	Total held 31.12.82	Species	Total reared 1982	Total held 31.12.82
