

Publications, 1979, by or with the assistance of Wildfowl Trust staff and facilities

- Atkinson-Willes, G. L. Vogelaars in 57 landen telden hun Watervogels. *De Lepelaar* 65: 24–27.
- Butler, P. J. The use of radio telemetry in the studies of diving and flying in birds. Pp. 569–77 in Almaner, C. J. & MacDonald, D. W. (eds.) *A Handbook on Biotelemetry and Radio Tracking*. London: Pergamon.
- Coleman, A. E. & Minton, C. D. T. Pairing and breeding of Mute Swans in relation to natal area. *Wildfowl* 30: 27–30.
- Evans, M. E. Aspects of the life style of the Bewick's Swan, based on recognition of individuals at a wintering site. *Bird Study* 26: 149–62.
- Evans, M. E. The effects of weather on the wintering of Bewick's Swans at Slimbridge, England. *Ornis Scand.* 10: 124–32.
- Ferns, P. N., MacAlpine-Leny, I. H. & Goss-Custard, J. D. Telemetry of heart rate as a possible method of estimating energy expenditure in the Redshank, *Tringa totanus*. Pp. 595–601 in Almaner, C. J. & MacDonald, D. W. (eds.) *A Handbook on Biotelemetry and Radio Tracking*. London: Pergamon.
- Forshaw, D. Pinkfoot numbers in Lancashire. *WAGBI Mag.* Autumn 1979: 16–19.
- Hillgarth, N. & Kear, J. Diseases of seaduck in captivity. *Wildfowl* 30: 135–41.
- Hillgarth, N. & Kear, J. Diseases of sheldgeese and shelducks in captivity. *Wildfowl* 30: 142–46.
- Kear, J. Wildfowl at risk, 1979. *Wildfowl* 30: 159–61.
- Lessells, C. M., Sibly, R. M., Owen, M. & Ellis, S. Weights of female Barnacle Geese during breeding. *Wildfowl* 30: 72–74.
- Matthews, G. V. T. All over Europe/Gibier sans frontieres. *Naturopa* 32: 14–18.
- Matthews, G. V. T. Impact on the natural environment. Pp. 3 in *Seminar on emergency arrangements for combatting oil pollution (Seacop)*.
- Ogilvie, M. A. The Birdwatcher's Guide to British Wetlands. London: Batsford.
- Ogilvie, M. A. General introduction to *Branta b. bernicla* with particular reference to the wintering areas. *Proc. Tech. Mtg. Waterfowl Manag.* Paris 1977: 10–18.
- Ogilvie, M. A. & Sharrock, J. T. R. In Focus. Binoculars and telescopes. *Birds* 7: 17–19.
- Owen, M. & King, R. The duration of the flightless period in free-living Mallard. *Bird Study* 27: 267–9.
- Owen, M. & Ogilvie, M. A. Moults, weight and measurements of Barnacle Geese in Spitsbergen. *Condor* 81: 42–52.
- Owen, M. & Wells, R. Territorial behaviour in breeding geese—a re-examination of Ryder's hypothesis. *Wildfowl* 30: 20–26.
- St Joseph, A. K. M. An assessment of population levels of *Branta b. bernicla* in south-eastern England. *Proc. Tech. Mtg. Waterfowl Manag.* Paris 1977: 132–37.
- St Joseph, A. K. M. The seasonal distribution and movements of *Branta b. bernicla* in western Europe. *Proc. Tech. Mtg. Waterfowl Manag.* Paris 1977: 45–59.
- Seegar, W. S. Prevalence of parasitic heartworms in swans in England. *Wildfowl* 30: 147–50.
- Smart, M. (Ed.) *Liquid Assets*. Slimbridge: I.W.R.B.
- Smart, M. Wat is en doet het 'International Waterfowl Research Bureau'. *De Lepelaar* 64: 30–2.
- Stanley, P. I. & St Joseph, A. K. M. Poisoning of Dark-bellied Brent Geese in Essex, February 1979. *Wildfowl* 30: 154.
- Tanner, M. F. Wildfowl, reservoirs and recreation. *WSAC Res. Rep.* 5. 40 pp.
- Tubbs, C. R. Wildfowl and waders in Langstone Harbour. *Brit. Birds* 70: 177–99.
- Tuite, C. H. The use of radio tracking in an ecological study on the Lesser Flamingo in the Eastern Rift Valley. Pp. 729–32 in Almaner, C. J. & MacDonald, D. W. (eds.) *A Handbook on Biotelemetry and Radio Tracking*. London: Pergamon.
